Sex Addicts Anonymous

A fellowship of men and women who share their experience, strength and hope with each other so they may overcome their sexual addiction and help others recover from sexual addiction and dependency.

Our primary purpose is to stop our addictive sexual behavior and to help others recover from sexual addiction. We find a new way of living through the SAA program, and carry our message to others seeking recovery. Membership is open to all who have a desire to stop addictive sexual behavior. There is no other requirement.

Our fellowship is open to women and men, regardless of age, race, religion, ethnic background, marital status, or occupation. We welcome members of any sexual identity or orientation, whether they are gay, lesbian, straight, bisexual, or transgender.
